

Science Project Record/Schedule

Use these sheets for your project or experiment.

1. Stating the Problem
— The Big Question
(What do you want to find out?)

Due Date Dec 15 Completed _____
Teacher Signature _____

2. Forming a Hypothesis
— A Smart Guess
(What do you think will happen?)

Due Date Jan 18 Completed _____
Teacher Signature _____

3. Planning the Procedure

Materials:

Step-by-Step Description of Experiment:

Due Date Jan 18 Completed _____
Teacher Signature _____

4. Results

(What happened when you did your experiment? Make a chart, table or graph to record the results of your experiment.)

Due Date Jan 18 Completed _____

Teacher Signature _____

5. Drawing a Conclusion

(What did you learn from your scientific investigation?)

Due Date Jan 18 Completed _____

Teacher Signature _____

6. Display

Due Date Jan 20 Completed _____

Teacher Signature _____
